

Unaverz Fundraiser Friday

June 5th - American Steel Studios - Bay 6

Please join us in *Bay 6* during and after **Art Murmur!**
We will have Unaverz and Numbskull fully lit, live
DJs, room to dance, places to lounge, beautiful
bartenders, food, fun and lots of friendly faces -
hopefully yours!

Swank new 3-color Unaverz t-shirts will be available for sale and we will
happily silk screen any garment you have for \$15.

Our original 1985 Ford 700 died last month. We purchased a newer 1993 F700 and migrated our artwork over
to it. This fundraiser will help cover these expenses.

\$20 donation requested
